Fort Mill School District

Important Information

Attendance Requirements

South Carolina law requires that all students must attend a public or private school from the age of five until the 17th birthday.

The school year is 180 days long. In order to receive credit, a student must first attend at least 85 days out of each 90-day semester, for a total of at least 170 days. Students must also meet all minimum course requirements. Absences in excess of 10 days may cause a student to lose academic credit for the year.

Students are considered present only when they are in school or present at an authorized activity.

By law, school districts can operate three half days during a school year to accommodate testing. FMSD will operate on a half day schedule on January 15, June 4 and 5.

Weather Delays and Closings

In the event of bad weather, a decision to delay or close school will be made by 6am. If the opening of school is affected, the district will then begin initiating automated calls to parents, using phone numbers provided on the Student Information form. In addition, a recording will be available to those calling the FMSD Information Line at 548-8695 and delay or closing information will also be placed on the district website, www.fort-mill.k12.sc.us. The primary radio and television stations in Rock Hill and Charlotte will also be notified.

Any delay in opening school will eliminate school breakfast availability. Decisions concerning early dismissal will be made to allow parents enough time to pick up their children. Parents are encouraged to discuss the possibility of early dismissal with their children and to draw up a plan.

Weather Makeup Days

In order to make up days lost to weather or other events, the district has set aside six days during the 2008-09 school year for that purpose. The days are marked with an asterisk (*) and will be taken in the order they appear on the calendar. In the event of extraordinary weather conditions, the calendar is subject to change.
